Instructions:

1. Consider how the revision impacts the architectural, structural and civil plan sets.
   a. Updated all affected plan sheets and cloud changes.
   b. Merge updated plan sheets into a single pdf file.
   c. Bookmark each sheet with sheet number and description. Ie: A1 – Site Plan
2. On page two of this form, list each sheet number that has changes and briefly describe those changes. Provide additional sheets if necessary.
3. Review associated City Forms and update as needed. Ie: an updated Site Development Worksheet or Residential Fire Area Square Footage Calculation may be required.
4. Upload this form along with the revised plans, and any relevant forms or supplemental documents to the File Transfer Site. See instructions for the upload on page two.
