Hello,

Thank you for applying for a Pre-Application Meeting to check on the permit requirements for the expansion of a residential pier at 2669 60th Ave SE. The provided material is sufficient to move forward with a submittal for a shoreline substantial development permit with SEPA. Please note that I did not conduct a substantial review of the provided materials and you may receive further comments following more in-depth review after submittal. If you have any questions, please contact me at andrew.leon@mercerisland.gov or at 206-275-7720.
