Michele,

I am the property owner for the 2009-011 project at 7311 W. Mercer Way. I also own the property just north at 7275 W. During the project review for 2001-199 and the intake review for 2009-011, excavations into the two adjoining properties was reviewed and approved and I hereby grant my approval for this to occur.

Sincerely,
