Subject: 2017 Comprehensive Plan Amendment Docket
Attachments: RES1526.docx

On November 21, 2016, the Mercer Island Council adopted its Final Docket of Comprehensive Plan amendment to be considered by the City in 2017 (see attached). Your proposed amendment was included on the Final Docket.

The next step in the amendment process is payment of the additional Comprehensive Plan Amendment fee. If paid by the end of 2016, the fee is \$3,836.75. If paid in 2017, the fee will likely be 3%-4% higher (amount to be determined after budget approval next week). In any event, the fee will need to be paid by March 1, 2017.

We expect the Planning Commission will begin their review of all proposed amendments in June or July of 2017, with City Council action by the end of 2017. A schedule for the review of all proposed amendments and City Council action will be prepared next spring.

We may need additional information regarding your proposed amendment and will contact you early in 2017 with any information requests, which could include environmental impact information, traffic analyses, etc.

Please contact me if you have any questions.
