Evan,

I am a resident of Mercerwood and am writing to ask that my name and email address is added to your communication list for any notifications concerning meetings, notices or developments regarding the Proposed Amendment to City Zoning. Our family lives at 9772 SE 41<sup>st</sup> Street, Mercer Island. I spoke at the recent Planning Commission meeting and am opposed to the proposed changes that are being considered. I understand from an email to neighbors from Sabina Chang, that only those residents who are included on your contact list will receive such notifications. Please ensure that my name is added to your list, effective immediately.

Best regards,

Julie Garwood
