Forward Thinking Design Solutions For Your Environment

Nov. 2, 2022

City of Mercer Island
Building Department
Attn: Norine Allerdice
Permit Coordinator

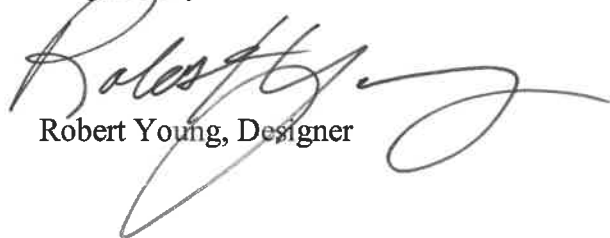

RE: AI Job #21076

Permit: 2210-120, 3036 67th Ave SE

Land Use Planning (LUP) Grace Manahan

1. Indicate critical areas and buffers (wetland, watercourse, steep slope)
(On sheet A1.1, the extents of the critical area has been identified and labeled with a cross hatched pattern.)
2. Indicate existing grade and finished grade
(On sheets A6 & A7, the existing grade has been shown and identified with a bolder dashed line)

Respectfully,

Robert Young, Designer
