RE: Intake Screening 2406-021 Incomplete Application Response

Dear City of Mercer Island:

The following comments have been addressed in the drawing set (new set has been uploaded).

1. GENERAL:
 - a. Bookmarks have been resaved for the set.
 - b. Building valuation has been added
2. INTAKE BUILDING:
 - a. Note says to check coversheet, cover sheet has been updated.
3. INTAKE CIVIL/SITE/UTILITIES:
 - a. Additional information added to site plan to illustrate net increase of impervious surface is less than 500 SF, and new +replaced hard surface is less than 2,000 SF.
4. INTAKE FIRE:
 - a. Valuation has been added to form and uploaded.
5. INTAKE PLANNING
 - a. ADU permit uploaded.
6. INTAKE TREES
 - a. Tree inventory has been uploaded.

Thank you,
