### PRE-APPLICATION MEETING REQUEST FORM

#### WHY WOULD I BE REQUIRED OR FIND IT USEFUL TO HAVE A PRE-APPLICATION MEETING?

- REQUIRED:** Before an application can be submitted for certain land use projects, a Pre-Application Meeting is **required** by code. See MICC 19.15 for procedural requirements related to your land use application type.
- USEFUL:** Pre-Application meetings are *recommended* during the feasibility phase and prior to conceptual project design, and any time a property owner or designer would like feedback from Community Planning & Development Staff. Pre-application meetings increase certainty, result in more complete application submittals, and reduce review timeframes.

At the end of the pre-application meeting, you will receive a set of written comments and notes that summarizes the issues and questions discussed.
