Mr. Henderson,

Following up on the voice mail I left you this morning, I would certain information concerning the violations at 2907 74th AVE SE. My wife, Terri and I live at 7421 SE 29th, which is immediately east of and below the Barcello property. Our main concern is the new structure at the east end of the Barcello property that overlooks our property. Our concern is that the structure may be in the set-back, is too high or otherwise violates a code section.

I can be reached most easily on my cell at (206) 465-1427.

Thank you for your attention.
