Job Description

A (Single Family Residential) (Re-Roof Replacement - Roofing Only) Residence project involving (Replace existing Wood Shingle)

Conditions - Post Permit on site. Do not cover until inspected.

Provide access to the roof for all inspections.

Certification Statement - The applicant states:

I certify that I am the owner of this property or the owner's authorized agent, including an appropriately licensed contractor. I have furnished true and correct information. I will comply with all provisions of law and ordinances governing this type of construction work, whether specific herein or not. By submitting this application I give the jurisdiction permission to enter the property to perform inspections. I understand that failure to comply with the above may result in revocation of the permit.

Applicant: Nadezhda Maksimchuk
