

The screenshot displays the City of Mercer Island GIS Portal interface. At the top, the portal title "City of Mercer Island GIS Portal" is visible. Below the title bar are navigation tabs: "Getting Around", "Maps & Data Sources", "Tasks", and "Analysis". A toolbar contains various interactive tools such as "Search for an Address", "Search Parcels by ID", "Search Lands by Plat Name", "Pan", "Zoom In", "Zoom Out", "Initial View", "Full Extent", "Previous Extent", "Point Identify", and "Rect Id".

The main map area shows a street grid with several watercourse features highlighted in different colors. A legend on the left side, titled "Legend", lists the following categories and symbols:

- gcxEnvironmentalLayers**
- Unpiped Watercourse**
 - Type "F" = Fish (Red line)
 - Type "Np" = Non-Fish (Blue line)
 - Type "Ns" = Non-Fish Seasonal (Purple line)
 - Type "Np" (Unverified) (Yellow line)
 - Type "Ns" (Unverified) (Orange line)
- Piped Watercourse** (Green line)
- Watercourse Buffer/Setback**
 - Type "E" = 120 Ft Buffer (Red area)

The map also includes a search bar with the text "I want to...", a scale bar (0 to 400 feet), and a north arrow. The map shows a residential area with streets like Roanoke Way, SE 20th St, and SE 72nd Ave, and landmarks like Roanoke Park and I-90.
