SUPERIOR COURT FOR THE STATE OF WASHINGTON  
IN THE COUNTY OF KING

CHRISTOPHER A. NIEDERMAN and  
NICOLE L. NIEDERMAN, husband and  
wife, and the marital community composed  
thereof,

Plaintiffs,

v.

STEVE YANG and SOPHY YANG, husband  
and wife, and the marital community  
composed thereof; UMPQUA BANK, a  
foreign bank corporation,

Defendants.

NO.  
COMPLAINT

COME NOW plaintiffs, Christopher A. Niederman and Nicole L. Niederman (collectively the “Niedermans”), by and through their counsel of record, and for causes of action against the defendants above-named, state, allege, and aver as follows:

SITUATE IN THE COUNTY OF KING, STATE OF WASHINGTON.

3.2 The Niedermans purchased the Niederman Property from Kenneth B. Simons  
and Carol J. Simons (collectively the "Simonses") via a Statutory Warranty Deed recorded on  
March 17, 2015, King County Recording No. 20150317001129.

1           3.3     The Simonses purchased the Niederman Property from Richard Foran,  
2 Personal Representative for the Estate of James E. Foran, via a Statutory Warranty Deed  
3 recorded on June 19, 2003, King County Recording No. 20030619002417.

4 **B.     The Yang Property**

5           3.4     The Niedermans are informed and believe, and on that basis allege, that Steve  
6 owns as his separate property the real property located at 6660 E Mercer Way (9640 SE 68<sup>th</sup>  
7 St.), Mercer Island, WA 98040, King County Parcel No. 23960-00050 (the “Yang Property”),  
8 and legally described as follows:

9                    THAT PORTION OF LOTS 4 AND 5, EVAN'S ADDITION ACCORDING  
10                    TO THE PLAT THEREOF RECORDED IN VOLUME 101 OF PLATS,  
11                    PAGES 91 AND 92, IN KING COUNTY, WASHINGTON, LYING  
12                    EASTERLY OF THE FOLLOWING DESCRIBED LINE:

18                    SECOND CLASS SHORELANDS ADJOINING AS DELINEATED ON  
19                    THE FACE OF THE PLAT; TOGETHER WITH AN UNDIVIDED  
20                    INTEREST IN TRACT A (COMMUNITY BEACH) AND SECOND CLASS  
21                    SHORELANDS ADJACENT TO AND ABUTTING THEREON; AND  
22                    TOGETHER WITH AN EASEMENT FOR INGRESS, EGRESS AND  
23                    UTILITY PURPOSES OVER THE 10 FOOT PRIVATE ROAD AS  
24                    DELINEATED ON THE FACE OF THE PLAT.

25                    SUBJECT TO: ALL EASEMENTS, RESTRICTIONS AND  
26                    RESERVATIONS OF RECORD, IF ANY.

19           3.5     The Niedermans are informed and believe, and on that basis allege, that Steve  
20 first acquired an interest in the Yang Property from his parents I-Hsing Yang and Hsu Pei-Yu  
21 Yang (collectively “Steve’s Parents”) via a Quit Claim Deed recorded on June 13, 2013, King  
22 County Recording No. 20130613001297.

23           3.6     The Niedermans are informed and believe, and on that basis allege, that Sophy  
24 quit claimed her community interest in the Yang Property to Steve through a Quit Claim Deed  
25 recorded on June 13, 2013, King County Recording No. 20130613001298.

1           3.7     The Niedermans are informed and believe, and on that basis allege, that  
2 Steve’s Parents quitclaimed the remainder of their interest in the Yang Property to Steve via a  
3 Quitclaim Deed recorded May 4, 2018, King County Recording No. 20180504000497.

4           3.8     The Niedermans are informed and believe, and on that basis allege, that the  
5 Yang Property is subject to a Deed of Trust in favor of Umpqua Bank in the amount of  
6 \$1,900,000, recorded on November 19, 2019, King County Recording No. 20191119001016.  
7 The Niedermans are informed and believe, and on that basis alleged, that the \$1,900,000 Deed  
8 of Trust secures a construction loan for the Yangs’ construction of a new home on the Yang  
9 Property.

10 **C.     History of the Niederman and Yang Property**

11           3.9     The Niederman Property and the Yang Property share a common boundary.

12           3.10    The Niederman Property, the Yang Property, and four adjacent parcels, were  
13 originally under common ownership.

14           3.11    In December of 1976, prior to Steve or Steve’s Parents acquiring an interest in  
15 the Yang Property, what is now the Yang Property, together with four other parcels, were  
16 developed as part of the “Evans Addition” as reflected in a recorded Short Plat Dedication, a  
17 true and correct copy of which is attached as Exhibit A. The Yang Property is referred to as  
18 Lot 5 in the Short Plat Dedication. The Niederman Property was not part of the Evans  
19 Addition.

20           3.12    Both the lots that make up the Evans Addition, and the Niederman Property,  
21 can be accessed only by a private lane as reflected in the Short Plat Dedication.

22           3.13    The Short Plat Dedication further provides that: “THE OWNER AND  
23 GUESTS OF THE RESIDENCE AT 6800 96<sup>TH</sup> SE [the Niederman Property] HAVE THE  
24 RIGHT TO USE THE 10’ ROAD EASEMENT FOR INGRESS AND EGRESS  
25 PURPOSES.” To that end, the Short Plat describes and established an easement 10 feet wide  
26

1 that terminates at the Niederman Property, and allows direct access to the private lane from  
2 the Niederman Property (the “Easement”).

3 3.14 At the time the Short Plat Dedication was created, the Easement allowing the  
4 Niederman Property access to the private lane did not cross any portion of what is now the  
5 Yang Property. Instead, it crossed what is referenced in the Short Plat Addition as Lot 4.

6 3.15 The Niedermans are informed and believe, and on that basis allege, that neither  
7 Steve, Sophy, nor Steve’s Parents have ever owned Lot 4 to the Short Plat Addition.

8 3.16 In 1994 Steve’s Parents, who at the time owned the Yang Property, and the  
9 owners of Lot 4, agreed to the Evans/Yang Lot Line Revision (the “Lot Line Revision”),  
10 which was recorded under King County Recording No. 9412229001. A true and correct copy  
11 of the Lot Line Revision is attached as Exhibit B.

12 3.17 The Lot Line Revision served to increase the square footage of Lot 5 (the Yang  
13 Property), and decrease the size of Lot 4. It also relocated what is referred to as a “Vehicle  
14 Turn Around Easement” that is used by the Niederman Property and the owners of Lots 1-5  
15 to, *inter alia*, turn cars around to drive up the private lane.

16 3.18 Each of the five parcels in the Evans Addition is subject to a Road  
17 Maintenance Agreement for the private lane. The Niederman Property is not, and has never  
18 been, subject to the Road Maintenance Agreement.

19 3.19 When the original residence on what is now the Niederman Property was  
20 constructed, a driveway was built that was 15-feet wide, and partially overlapped the location  
21 of the Easement as set forth in the Short Plat Dedication.

22 3.20 At all times since the original residence was constructed on the Niederman  
23 Property in the 1970’s, the owners of the Niederman Property have used a 15-foot wide path  
24 beginning in the location of the actual driveway located on the Niederman Property to the  
25 private lane. This path has never matched the location of the Easement. The Easement as used  
26

1 differs from the Easement as set forth in the Short Plat Dedication in that it is 15-foot wide  
2 instead of 10 feet, and extends 10 feet further east than the Easement as set forth in the Short  
3 Plat Dedication.

4 **D. The Niedermans Remodeled the Residence on Their Property in Accordance**  
5 **With All Applicable Legal Requirements**

6 3.21 When the Niedermans purchased their real property it had, for many years, a  
7 residence located on it with a driveway that did not match the location of the Easement. The  
8 driveway in sum occupied the easterly half of the Easement, and extended an additional 10  
9 feet past the easterly edge of the Easement.

10 3.22 The Niedermans made the decision to remodel the existing residence on the  
11 Niederman Property.

12 3.23 Prior to beginning construction on the remodel, the Niedermans applied for  
13 and obtained all legally required building permits from the City of Mercer Island (the “City”).  
14 Part of the permit application process included submitting plans for approval. The plans  
15 submitted by the Niedermans, and approved by the City, among other things reflected the  
16 location of the Niedermans’ proposed new driveway being exactly where the previous  
17 driveway had been located since the original residence was constructed in the 1970’s.

18 3.24 As part of doing so, the Niedermans retained design professionals, and  
19 submitted all required applications to the City of Mercer Island (the “City”). The plans  
20 submitted and approved call for a new driveway to be poured in exactly the same location  
21 where the previous driveway had been located on the Niederman Property for approximately  
22 40 years, and which did not match the location of the Easement.

23 3.25 Following the Niedermans’ submittal of their proposed building plans, which  
24 reflected that they did not intend to move the previous location of the driveway, the Yangs  
25 had a 30-day period between August 21, 2017 and September 19, 2017 to submit a public  
26 comment addressing or objecting to the driveway’s location. Despite receiving proper notice  
of the Niedermans’ project, the Yangs submitted no comments.

1           3.26   Following the City’s approval of the Niedermans’ building permit, under RCW  
2 36.70C.040(3), the Yangs had 21 days to file a LUPA petition challenging the City’s decision.  
3 The Yangs again failed to act within the statutorily-defined period.

4           3.27   As a result of not acting within the statutorily defined time periods, the Yangs  
5 lost any legal right they may have had to object to the location of the Niedermans’ driveway.

6           3.28   Part of the Niedermans’ construction process involved reconnecting a new gas  
7 line from the Niedermans’ home to the existing gas line that has for years supplied many of  
8 the homes in neighborhood with natural gas, including the Yangs’.

9           3.29   Because approximately five feet of the gas line is located on the Yangs’  
10 property, the Niedermans sought the Yangs’ permission to reconnect their new gas line, and  
11 even offered to make a \$10,000.00 contribution toward the maintenance and improvements to  
12 the private lane, despite not being parties to the Road Maintenance Agreement.

13           3.30   In response, the Yangs asked the Niedermans to first obtain permission from  
14 the other neighbors, and indicated that if the Niedermans could do so they too would agree.  
15 After the Niedermans received permission from the other neighbors, the Yangs declined to  
16 agree.

17           3.31   As a result of the Yangs’ refusal, the Niedermans were forced to drill a new  
18 gas line at a cost of more than \$22,000.00.

19 **E.    The Yangs’ Pattern of Harassing Activities**

20           3.32   After missing all applicable deadlines to file a comment in response or  
21 otherwise object to the Niedermans’ building permit application, the Yangs lodged  
22 approximately 16 separate, frivolous complaints with the City involving the Niedermans’  
23 construction. The City dismissed each and every one of the Yangs’ complaints without a  
24 finding of wrongdoing or requiring the Niedermans to take corrective action of any kind.  
25  
26

1           3.33 The Yangs then began a pattern of harassment toward the Niedermans  
2 involving, *inter alia*, partially blocking the Niedermans' driveway by parking automobiles  
3 adjacent to it; partially blocking the Niedermans' driveway by parking automobiles in the  
4 Turn Around Easement; partially blocking the Niedermans' driveway by placing traffic cones,  
5 signs, emergency tape, and large flower pots so as to restrict ingress and egress to a limited  
6 portion of the driveway; shining a flashlight into the Niedermans' home at approximately  
7 10:00 p.m.; and moving the Niedermans' garbage cans from where they have long been left  
8 for pick-up by Recology, and where Recology instructed the Niedermans they should be  
9 placed.

10           3.34 Despite repeated requests by the Niedermans that the Yangs stop their pattern  
11 of harassing activity, the Yangs have steadfastly refused to do so.

12 **F. The Yangs Knowingly Submitted an Application to the City to Construct a New**  
13 **Residence That Misrepresented the Location of the Niedermans' Driveway**

14           3.35 The Yangs have torn down the residence located on the Yang Property, and are  
15 in the process of building a new residence.

16           3.36 As part of their permit application to the City, the Yangs wrongfully submitted  
17 proposed plans to the City that failed to reflect the actual location of the Niedermans'  
18 driveway as already approved by the City, and as it had been located for more than 40 years.

19           3.37 The Yangs had no basis in fact or law to believe that the Niedermans'  
20 driveway was or would ever be constructed as represented on the building plans the Yangs  
21 submitted to the City. Certainly the Niedermans never informed the Yangs they intended to  
22 place their driveway in a manner than conformed to the Yangs' plans as originally submitted  
23 to the City.

24           3.38 The Niedermans accordingly are informed and believe, and on that basis  
25 allege, that the Yangs knowingly and intentionally submitted inaccurate building plans to the  
26 City with the intent to deceive the City in a wrongful and ineffective attempt to negatively  
affect the Niedermans' rights.

1                                   **V. SECOND CAUSE OF ACTION – QUIET TITLE TO EASEMENT**

2           5.1    The Niedermans incorporate by reference each and every preceding allegation  
3 as if fully set forth herein.

4           5.2    The claims and contentions of the Yangs regarding the location and size of the  
5 Easement constitute a cloud on the Niedermans' title.

6           5.3    The Niedermans, their predecessors, and their guests and invitees have, for  
7 approximately 40 years, had a 15-foot wide driveway located in a position other than that  
8 indicated by the Easement.

9           5.4    The Niedermans, their predecessors, and their guests and invitees have, for  
10 approximately 40 years, driven over the real property owned by Steve and his predecessors  
11 and used the Niedermans' entire driveway for ingress and egress.

12           5.5    The actions of and use by the Niedermans, their predecessors, and their guests  
13 and invitees of Steve's real property, which has lasted substantially more than 10 years, has  
14 been hostile, actual, open and notorious, continuous and uninterrupted, and over a uniform 15-  
15 foot wide route, adverse to Steve and his predecessors, and occurred with the knowledge of  
16 Steve and his predecessors at a time when they were able at law to assert and enforce their  
17 rights.

18           5.6    For several decades Steve and his predecessors failed to any way oppose,  
19 comment on, or attempt to legally prevent the Niedermans, their predecessors, and their  
20 guests and invitees from their open, notorious, and adverse use of a 15-foot wide access and  
21 driveway located other than in the location indicated in the Easement.

22           5.7    The use of the 15-foot wide route and driveway by the Niedermans, their  
23 predecessors, and their guests and invitees, has been exclusive to them.

24           5.8    As a result of the above-described actions, the Niedermans have acquired a 15-  
25 foot wide easement by prescription in an exact location to be established at trial, and are  
26 entitled to a Judgment quieting title over such easement by prescription.

1           7.3     The Yangs’ wrongful actions include, by way of example, filing numerous  
2 frivolous complaints with the City in an attempt to cause the Niedermans to incur additional  
3 expenses in connection with their construction project; shining a flashlight into the  
4 Niedermans’ home at night; repeatedly blocking the Niedermans’ driveway with automobiles  
5 and other items; and otherwise unreasonably interfering with the Niedermans’ use and  
6 enjoyment of their home.

7           7.4     The Niedermans have a reasonable belief that the Yangs will continue their  
8 now established pattern of harassment unless restrained by the Court.

9           7.5     The Niedermans request entry of a permanent injunction prohibiting the Yangs  
10 from: (a) in any way blocking the Niedermans’ driveway with cars, traffic cones, flower pots,  
11 emergency tape, or in any other manner; (b) moving the Niedermans’ garbage and recycling  
12 cans from the location in which they have long been left for pickup; (c) shining lights into the  
13 Niedermans’ home during evening and nighttime hours; (d) making further frivolous  
14 complaints to the City or other governmental entity regarding the Niedermans; and (e)  
15 otherwise interfering with the Niedermans’ quiet enjoyment of their home.

16          7.6     The Niedermans further request monetary damages for the Yangs’ wrongful  
17 actions in an amount to be determined at trial.

18                                   **VIII. FIFTH CAUSE OF ACTION – PRIVATE NUISANCE**

19          8.1     The Niedermans incorporate by reference each and every preceding allegation  
20 as if fully set forth herein.

21          8.2     The above-describe actions of the Yangs in blocking the Niedermans’ access to  
22 their driveway constitutes an actionable private nuisance as defined in RCW Ch. 7.48 *et seq.*

23          8.3     The Niedermans are within the class of persons entitled to bring suit related to  
24 such nuisance.

### CITY OF MERCER ISLAND · KING COUNTY, WASHINGTON

#### A REPLAT OF LOT "C" OF THE DOGAN SHORT PLAT

### DESCRIPTION

This Plat of Evan's Addition is a replat of Lot "C" of the Dogan Short Plat, located in Section 30, Township 24 North, Range 5 East, W.M., filed with the City of Mercer Island in May, 1974, more particularly described as follows:

Commencing at a brass monument marked with an "X" on the intersection of E. Mercer Way and the north property line of the said Dogan Short Plat extended westerly, thence S 88° 41' 26" E along the south line of the Plat of Rydeen Addition, recorded in Volume 72, pages 27 and 28, records of King County, Washington, a distance of 210.69 feet to the northeast corner of Lot "B" of said Dogan Short Plat, and the Point of Beginning; thence continuing along the south line of said Rydeen Addition S 88° 41' 26" E a distance of 410.37 feet; thence N 01° 18' 34" E a distance of 11.54 feet; thence S 88° 16' 06" E a distance of 166.92 feet to an existing iron pipe; thence continuing S 88° 16' 06" E a distance of 7.0 feet more or less to the shoreline of Lake Washington; thence southwesterly along said shoreline to the southerly line of said Dogan Short Plat extended easterly; thence along said southerly line N 88° 41' 26" W a distance of 5.0 feet more or less to an iron pipe; thence continuing N 88° 41' 26" W a distance of 125.00 feet; thence S 83° 10' 54" W a distance of 176.78 feet; thence S 01° 18' 34" W a distance of 35.00 feet; thence N 88° 41' 26" W a distance of 20.00 feet; thence N 01° 18' 34" W a distance of 10.00 feet; thence N 88° 41' 26" W along the north right-of-way of S.E. 68th St. a distance of 238.99 feet to the southeast corner of said Lot "B"; thence N 01° 18' 34" E along the east line of said Lot "B" a distance of 146.63 feet to the Point of Beginning.

Together with the second class shorelands adjoining and lying between the northerly and southerly lines of the above described plat produced easterly.

### RESTRICTIONS

- Maintenance and repair of the private road, the community beach tract "A" and all storm drainage facilities located within the utility easement, shall be the responsibility of the owners of each lot herein and each lot owner shall pay one fifth (1/5) of the cost thereof. In the event that maintenance and repair of the storm-water drainage facilities is not performed to the satisfaction of the City Engineer, after a timely demand has been made for such action, the City shall have the right to enter upon the premises and perform the necessary maintenance and repair and charge the owner of each lot for his pro rata share of the total cost of such maintenance and repair. In addition, the City or the owner of any lot shall have the right to bring an action in superior court to require such maintenance and repair to the storm water drainage facilities as is deemed necessary by the City Engineer.
- The engineered street, water, sanitary sewer, and storm drainage designs are on file with the City of Mercer Island.
- All footing and roof drains shall be signified directly to the storm drainage system.
- Access to all lots shall be limited to the 10' private road easement.
- No land clearing permits will be issued prior to the issuance of building permits for individual single family houses.
- No land clearing, filling, or building construction shall be allowed in that portion of land lying south of the 10' private road easement except with the expressed approval of the Planning Commission.

All lots in this plat are subject to the protective covenants as recorded in Volume \_\_\_\_\_ page \_\_\_\_\_ Auditors' File No. \_\_\_\_\_ Records of King County, Washington
