He also served as a Bus Driver for 13 years for the School District. She noted that Bob's service is Friday, Sept. 22, at 4:00 pm at Emmanuel Episcopal Church.

APPEARANCES

Tom Gallagher, 4243 Shoreclub Drive, builder, spoke for his clients who he does not think have been represented in the code amendments process. He stated that the following three items are a disservice to citizens: (1) eliminate concurrent review, (2) not allowing people to buy multiple lots and build large houses, (3) review idea of bigger incentive for daylight basement.

Trevor Reed, 8210 SE 65th Street, spoke in opposition to the Residential Development Standards code update. He stated that if the Council fails to allow development, then it will undermine the provision of amenities in the Town Center that citizens have come to appreciate.

Kathryn Jerkovich, BCRA Plan Designer, 414 Stewart Street, Seattle, spoke about results from analysis of proposed FAR and tree code code rewrite conducted on behalf of JayMarc Homes. BCRA found that individually each proposed change didn't have a large impact, but cumulatively they resulted in an average reduction in buildable area of 24%.

Allen Hovsepian, 4344 90th Ave SE, spoke in opposition to the Residential Development Standards code update. He asked the Council to consider the financial impact this change will have on home values on the Island.

Randy Koehler, 3056 70th Ave SE, RKK Construction, spoke in opposition to the Residential Development Standards code update. He feels that the proposed changes are too restrictive. He expressed concern with buyers choosing to purchase homes somewhere else to avoid Mercer Island's building restrictions.

Jackie Dunbar, 7116 82nd Ave SE, spoke against the portion of the Residential Development Standards code update changing the rules for long platting. She asked the Council to allow for more citizen involvement in the code rewrite process.

Carolyn Boatsman, 3210 74th Ave SE, thanked the Council for their work on the Residential Development Standards and tree code update. She spoke in support of approval of the proposed changes.

Lynn Hagerman, 3058 61st Ave SE, spoke in support of approving the proposed changes.

Manny Cawaling, Executive Director for Youth Theatre Northwest, announced that the 30th Anniversary for YTN begins in November. He advised that enrollment in the groups programs is up. To be able to allow more kids to participate the group needs a larger facility here on the Island. He asked that the Council and the community continue to support MICA so that groups like Youth Theater Northwest can remain on Mercer Island.

Ira Appelman, 9039 E. Shorewood Drive, spoke in support of the changes in the Residential Development Standards code in general. He disagreed with regulating trees on flat lots and still allowing people to purchase multiple lots and combining them to build larger homes. He asked the Council to do more to educate the community on how the code changes will affect development.

Dennis Dahl, 2530 70th Ave SE, spoke in opposition to the Residential Development Standards code update. He advised that the comments listed on the City website in support of more restrictive development codes are from only 1% of Mercer Island's population. He asked the Council to consider the impact this update will have on all of Mercer Island's residents.

- Soil remediation at Maintenance Center/Honeywell property is estimated to cost between \$392,000 and \$788,000.
- Maintenance Center renovation/expansion is estimated to cost \$5.92 million.
