Regarding Project No.: CA015-001 & Var18-002

Location 5637 East Mercer Way, Mercer Island, WA 98040

Applicant/Owner: MI Treehouse, LLC (c/o Bill Summers)

Request: City approval of a SEPA Designation of Non-Significance

The flowing undersigned parties are opposed to the approval of a SEPA Designation of Non-Significance as requested by the Applicant. The undersigned parties believe development of this property will have a negative impact on the safety, health, and welfare of the adjoining properties and properties located downstream from the development site all the way to the shoreline of Lake Washington. The development site is an active Category III Wetland with two Type II Watercourses.
