We are writing on behalf of our neighbors, Rob and Gina Maguire 7643 SE 72nd Place, to confirm that we have given them consent to access their backyard landscaping project through our property for approximately five weeks. They have talked through their project with us and sent us their plans and we are supporting them as good neighbors.

Thank you for your time,

Ben and Carla Munger

The image shows two handwritten signatures in black ink. The top signature is for Ben Munger, written in a cursive style. The bottom signature is for Carla Munger, also in a cursive style. Both signatures are positioned below the typed name 'Ben and Carla Munger'.
