City of Mercer Island Community Planning and Development  
Planning Department

Attn: Grace Manahan,

architecture + design

We received the correction notice for project Critical Area Review application #CAO23-006 for project address 7310 86<sup>th</sup> Ave SE, dated June 6th, 2023. Below are responses to the two comments provided.

1. A post-design (“PLAN REVIEW”) memo from the geotechnical engineer of record, Phil Haberman with Cobalt Geosciences, dated 6/19/23, has been included with this resubmittal, along with a copy of the original geotechnical report.
2. An updated plan set matching the revised plan set submitted for building permit application #2212-162 is being included with this resubmittal.

I can be reached at 206-542-3734 or at [sarah@h2darchitects.com](mailto:sarah@h2darchitects.com) with any further questions.

Regards,

A handwritten signature in black ink that reads "Sarah Thompson". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
