Dear Andrew,

Please see the following itemized responses to your plan review comments.

---

**Comment:**

The Development Application form states that the property owner is LNL Builds. However, the title report indicates that the owners of this property BV Homes LLC. Please update the Development Application form to list the correct name and contact information for the property owner.

**Response:**

*The Development Application has been updated to reflect the owner to be BV Homes LLC. The contact information has remained unchanged as it is owned and operated by the same business owner at the same address.*

We trust that these responses adequately address your comments. Please do not hesitate to contact us directly if you have any further questions.

Thank you,

Dan Alexander
