Grace Manhan
Assistant Planner
City of Mercer Island

Dear Grace,

Subject: Permit CAO24-008

The purpose of this letter is to disclose the presence of critical areas on parcels 544230-0796 and 544230-0765. The project geotechnical engineer has determined that the site contains the following types of geologically hazardous areas:

- Potential Landslide Hazard
- Erosion Hazard
- Seismic Hazard

With your approval, we will record this notice with King County per MICC 19.07.110.

Sincerely,

Riley Coghlan
