RE: REPLACE WINDOWS; ADD BATH; ALT BATH;ENLARGE DECK-402 S/F

Dear Owner:

Your plan review application is Waiting Customer Information and expired 6/26/2008. MICC 17.14.010 states the following: “Applications may be canceled for inactivity, if an applicant fails to respond to the department’s written request for revisions, corrections, actions or additional information within 90 days of the date of request. The building official may extend the response period beyond 90 days if within the original 90 day time period the applicant provides and subsequently adheres to an approved schedule with specific target dates for submitting the full revisions, corrections or other information needed by the department.”

We require a response to correction letters within 30 days. Please contact me with the status and how you would like to proceed by July 29, 2008. If I do not hear from you, you will need to resubmit plans for plan review and pay new fees, if you plan on continuing with this project. *All application materials will be discarded two weeks after the deadline date.* If you have any questions, please feel free to contact me at linda.pineau@mercergov.org or 206-275-7715.

Sincerely,

Linda Pineau
