Mr. Allcorn – Thank you for the opportunity to address the link referenced in your email below. Because the link does not direct people to an active election campaign, the City does not consider it to be a misuse of facilities of a public office or a violation of any other provision of RCW 42.17A.555. I hope I've answered your question and addressed your concern. Have a nice weekend.

Bcc: City Council and City Manager.

Hello,

I sent the below email to Council and CM Bon and was told it should be directed to City Attorney.

Thanks,

Hello,

I've noticed that Council Member Jacobson includes a link to his campaign website in emails from his City email account. I don't think it's appropriate to use City emails to direct people to your personal campaign site. Am I wrong in seeing an issue with this?

Thanks,
Patrick Allcorn
