Subject: Protect our parks!

Hello,

As a Mercer Island resident, I'm writing in regards to the terrible and senseless idea of using OUR parkland for government offices.

Parkland is for PARKS and RECREATIONAL use, NOT government offices.

Additionally:

- You need to substantially reduce the proposed height limit of buildings within the park;
- No net increase in impervious surfaces
- Limit transit stops to the right of ways
- Do NOT allow parking structures in our parks
- Do NOT allow a future re-zone of a park without a community vote.

Thank you,
Devan
