Subject : Wet Season Work Waiver Application
 Address : 7006 & 7010 SE MAKER ST Mercer Island, WA, 98040

To Whom it May concern.

Project description:

Request for wet season waiver to complete grading & installation of upper block retaining wall along western portion of lot. Lower block retaining walls installation completed and first (7) layers of upper retaining wall completed with remaining (3) layers to be installed. A 6' fence to be installed along the backside of the upper retaining wall.

Baklinski Group LLC was asked and signed on by owners of the above mentioned properties to complete a previously started (and not 100% completed) retaining wall project which was permitted under the following permit numbers:

- 2108-154-BLDG PERMIT
- 2110-007 BLDG PERMIT
- 2110-015 STORMWATER PERMIT
- 2108-251 TREE PERMIT

An official request has been made to transfer the mentioned permit into Baklinski 's LLC name.

Summary:

We need this waiver to complete a 3-4 week construction of a retaining wall as proposed on the permit set with TESC# FFWD 2211. Please approve at your earliest convenience.
