

## Memorandum

---

October 11, 2023

**Subject:** Wet Season Work Waiver Request  
4029 97th Ave SE  
Mercer Island, WA

**To:** Mercer Island Building Official

The purpose of this letter is to formally request a wet season work waiver for the project located at **4029 97<sup>th</sup> Ave SE** for the work outlined in building permit number **2304-071**.

It is our opinion that the proposed construction activities will not have an adverse impact on the site or surrounding sites, provided proper erosion control and best management practices are adhered to.

Construction during wet conditions is discussed on page 7 of the Geotech report, "NGA File No. 1408122" dated November 29, 2022. These recommendations will be followed and the Geotechnical Engineer has been retained for monitoring and consultation services during construction as required.

If you have any questions related to the above, please contact the undersigned.

Regards,

A handwritten signature in black ink, appearing to read "A. Scofield", with a stylized flourish at the end.
