

Project Narrative

Mercy Vet

2630 77th Ave SE, #116

Mercer Island, WA 98040

The purpose of the project is to install a new, LED illuminated wall sign in the form of Pan Channel Letters with logo, above the business main entrance, located at 2630 77th Ave SE, suite number 116. The Install is to happen this year and exact dates are to be determined after sign permit issuance and ROW permit approval. The install will require that we use a boom truck to lift the sign into position and safely mount to the wall. This will require a west bound lane closure on SE 27th St, between 77th Ave SE and 78th Ave SE for approximately 8 hours. Please refer to sign documents for further details.

Sincerely

Dave Bumgarner
