CITY LIGHTS SIGN CO. has been contracted to install three (3) client provided, LED illuminated wall signs and one (1) client provided freestanding sign. Wells Fargo Bank is re-branding all their locations with updated signage. These signs will be replacing signs currently on the property.

All work will be done on property with no impact on streets or shopping center access. Work shall be done in a way to minimize any impact on public access to any of the adjoining properties or businesses.

For any questions about this project please contact:
