Mr. Travis Saunders,  
City Planner, City of Mercer Island

Dear Mr. Saunders,

My name is John Stivelman, and I am a resident of 5645 E Mercer Way, where I own a home. This note is in follow-up to your recent discussion with my legal counsel, Ms. Shasta Smith, regarding development of the property just north of mine on E. Mercer Way.

I would be most interested in—and most appreciative of—being kept abreast of developments related to planning for construction on this property, including sharing with me scheduling of future events related to its development, and forwarding to me any future notices or decisions in that regard.

My contact information is: John C. Stivelman, MD; 5645 E. Mercer Way, Mercer Island, WA 98040; email [stive@aol.com](mailto:stive@aol.com), cell 206-321-4835; home (unlisted) 206-232-1219

I am most appreciative of your time and kind attention.

Yours truly,

John
