Andrea,

Please enter the attached document as an exhibit for the record. If the RUE application was not vested prior to 12-2018 then the attached requirements would have been required for the plan set to be considered a complete application.

Thank you, Dave

Hello Mr. Anderson,

Thank you, I have you registered to speak during the public hearing. I will be calling on people (you need to be logged into the zoom meeting either by phone or by computer) when we get to the public comment section of the hearing and making it so that you are able to turn on both your audio and video to provide your public comment to the Hearing Examiner.

Kind Regards,
