Subject: Shoreline Exemption Permit, Flushing Station 12 – 4000 E. Mercer Way.

Dear Ms. McGuire:

This is a written response to the review comments provided by the Community Planning and Development Department regarding the application for the Shoreline Exemption Permit, SHL23-001, for Flushing Station 12 located at 4000 E. Mercer Way.

Comment Responses:

1. Project Narrative:

- a. The project description states that the “Mercer Island Public Works proposed to upgrade the flush station and generator equipment at Flush Station 12” and then later states “There is no generator associated with this flush station”. Please clarify whether there will be work on generator equipment at this station.

Response: *There is no generator associated with this flush station. The project narrative has been updated accordingly.*

Please do not hesitate to contact me at 206-749-2329 or via email at sbrittain@brwnald.com if you have any questions.

Very truly yours,

Brown and Caldwell
