Hi Molly,

We are following up on the boatlift permit for Slip #37 at Covenant Shores Retirement Community, Permit #SHL23-016.

Attached is an email stating when and who the original permit for Slip #37 was obtained by back in 1999/2000.

We have also attached (2) boatlift permits from 2005 and 2009 (SHL05-030 & SHL09-001) which document that the boatlift and canopy cover in slip #37 were already legally in place at the time these permits were issued.

We are hoping that this will be enough information to show that the boatlift and canopy cover in slip #37 were legally permitted.

Please let us know if this information will suffice or if additional clarification or information is needed.

We appreciate your help.

Thank you!
