**RE: Responses to SHL23-036 SUB1 Review Letter**

Dear Ms. McGuire,

Please see the following responses to your review letter dated July 31, 2023:

Engineering

1. The total square footage of the new paving area.
  - Plans have been revised to include the proposed paving area = 1,990 SF.
2. A cross section of the new paving area.
  - Cross-sectional details A, B, and C for improvements over existing access road gravel, concrete, and gravel/native mix, respectively, have been added to the revised plans.

Please e-mail [chris.marks@mercerisland.gov](mailto:chris.marks@mercerisland.gov) or call me at (206)-667-1027 if any additional revisions or information is requested.

Sincerely,

**Christopher Marks, Utilities Engineer**

City of Mercer Island – Public Works
