SUB17-015

Ordinance No. 18C-12 was passed by the City Council of the City of Mercer Island, Washington on October 2, 2018.

During review of the subdivision and critical areas determination applications, the City adopted Ord. 18C-12, which updated the City Code by modifying land use review and approval procedures. The adopted changes became effective five (5) days after being passed. The provisions of this code do not apply to the proposed final plat because this ordinance was passed after the application for a subdivision was received and accepted as complete by the City of Mercer Island.
