Subject: 2825 West Mercer Way Property (Old Boys and Girls club)
Date: Wednesday, May 8, 2019 7:38:21 AM

Hi Robin-

I am a Mercer Island resident very concerned with the development of the old boys and girls club property. I am requesting that a public hearing be made possible so that concerned residents can have their voices heard, and have a chance to ask questions.

I understand that today is the last day for the public to provide feedback, but I am sure that due to the large nature of this property and the tremendous impact it could have on the community you will be willing to schedule a public meeting.

Thank you for reading, and I look forward to hearing when the public meeting will take place.

Have a great day!

Tara Reimers
