RE: Notice of Completeness for File No. SUB21-008 – Koneru Short Subdivision  
6610 East Mercer Way, Mercer Island, WA 98040; King County Tax Parcel # 302405-9153

Dear Mr. Murphey:

The City of Mercer Island received the submittal for the above referenced application for a two (2) lot short subdivision for the property located at 6610 East Mercer Way (King County parcel # 302405-9153) on September 20, 2021. The City has assigned file number SUB21-008 to the short subdivision application. Following review of the application, City staff has determined that the application is **complete**.

Official review of the application for compliance with the Mercer Island City Code has begun. Preliminary Short Plat applications are a type III land use review and require public notice (sign, mailing, and bulletin). A Public Notice of Application will be issued shortly. If you plan on submitting a CAR2 application, please notify me so we can do a combined Public Notice of Application for the Subdivision and CAR2.

Sincerely,

A handwritten signature in cursive script that reads "Lauren Anderson".
