

## Chase Lot Line Revision

### Project Narrative

The proposed lot line revision is between 4467 and 4525 Forest Ave. SE (APN 7700100185 & 7700100205). Both properties are owned by Brad and Judy Chase. The Lot Line Revision is relatively minor and occurs along the full length of the common boundary of these two parcels.

In addition to the lot line adjustment plan set we are including an exhibit drawing with full topography of both lots that includes a lot slope and lot coverage calculation for the post LLR condition.
