**RE: Crown Castle application for installation of Small Wireless Facilities within the public way of The City of Mercer Island, WA**  
MIV 43, ROW near 8215 SE 78<sup>th</sup> Street

Dear reviewing parties,

Crown Castle is requesting approval for to install a new wood pole with small cell equipment in the public right-of-way near 8215 SE 78th Street.

The following items are being included as part of this application:

- Shot Clock Letter
- Pre-application meeting notes (PRE20-027)
- Development Application
- Project Narrative
- Development Plan Set
- Photo Simulations
- Site Photographs
- Arborist Report
- Site Plan and Site Survey to demonstrate required clearances from water main (5' min from po hole location)
- SEPA checklist

Crown Castle is committed to working cooperatively with all jurisdictions around the Country to secure expeditious approval of small cell wireless facilities. If you should require more information regarding the project design, please do not hesitate to contact me with your questions.

Sincerely,

---
