Proposal Name

Zoning Code Amendment: Noise and Lighting

Proposal Description

A nonproject action considering amendments to chapters 19.02 and 8.24 Mercer Island City Code (MICC). The proposal is to make amendments to regulate exterior lighting in residential zones and noise from gas-powered landscaping equipment. The first proposed code amendment would amend MICC 19.02.020 Development standards, updating the code sections related residential development, and adopting regulations for exterior lighting in residential zones. The second proposed code amendment would amend MICC 8.24.020(Q) Types of nuisances. The proposal would amend the conditions for noise nuisances to limit noise resulting from the use of gas-powered landscaping equipment.
