**Proposal Name**

Amendment of Mercer Island City Code (MICC) 19.15.030 Land use review types to change land use review types for specific land use review actions (ZTR21-006)

**Proposal Description**

A proposed zoning code amendment to change the land use review type for five land use review actions: seasonal development limitation waivers, tree removal permits, final short plats, lot line reviews, and setback deviations. The proposed amendment would increase the level of review and public notification for each land use review action.
