Project: Mercer Island Transit Integration Project
Location: 7714 North Mercer Way
 Mercer Island, WA 98040
Permit Application Number: 2010-186
Application Completeness Date: November 30, 2020
First Review - Days Expended: 4 Days (November 30-December 4)

The City of Mercer Island Community Planning and Development Department has completed a review of your drawings for conformance with applicable codes, standards, and regulations. Each correction item must be replied to and resolved prior to resubmittal.

The Correction Drawing File can be reviewed and downloaded from the [MlePlan Cloud](#) here: https://MlePlan.mercergov.org/adobe/eplan/~CurrentSharedReviews/2010-186-SUB3-PLANS_review.pdf. To access the commented file, you will need to supply "eguest@mercergov.org" as the User Name and "[@mercerc123](#)" for the Password. Please note, you can send this link to your sub-consultants for their input and replies.

Please respond to each comment using the reply functionality in the comments navigation pane. The easiest way to do this is to right click each comment and select "reply". Please ensure that you select the "Publish Comments" button. You can use Adobe Reader or Acrobat to reply to the comments. For additional information on the MlePlan review process, browse to <http://www.mercergov.org/Page.asp?NavID=2619>.

After each of the comments have been addressed and resolved and the replies published, please upload a new, complete set of corrected drawings and other documentation to the City of Mercer Island FTP site here: [Mercer Island FTP Site](#). Enter "**Guest**" as username, and "**eplan**" as the password.

It is important that each of the comments have a reply. Your resubmittal date and review timeline begins only when all of the replies have been made and the new, complete set of corrected drawings and other supporting information is provided. Upon completion of the upload, please inform Holly Mercier by email that this has been done. This will help to expedite preparation of the review for staff.
