(10/13/2020 7:25 PM DC)
October 9, 2020 2:49 PM phone call to Nadia Maksimchuk @ 253.880.7873 – called Nadia to inquire why they continued working in violation of a stop work order. She stated that she thought the stop work order only applied to grading within the drip line of the trees. I corrected her and stated that all grading must stop. She agreed to stop all work.
