He needs to make it clear on the plans that the access gate will open inwards, towards the Niederman's residence and not outward into the Yangs property. The cut sheets show the gate can go either way but Jeromy says he's had discussions with the Niederman's and they're aware it needs to open inwards.

Sophy Yang does not want it to open onto her property.

There is all sorts of litigation going on between the neighbors, we just want to have a clear set of plans to issue.

Thank you,
N

Actually, we're waiting for Jeromy to let us know when ok to issue.

He's on vacation this week but will take a look on Monday, 12th July

Thx

Thank you!
