To the City Clerk:

I would like to state my support for the City's position regarding code interpretation on this matter. This is yet the most recent of many attempts by the JCC to seek preferential treatment for themselves at the expense of the greater community.

The JCC has long attempted to have the Mercer Island Faith Community join their requests for variance(s). Initially, many Churches were inclined to do so, but careful examination revealed the lack of merit. Ultimately, of the approximately 20 Churches on Mercer Island, only one joined.

I request the Hearing Examiner uphold DCI 22-004.
