Subject: Units rented without heat at 77 Central

Hi Don,

Please correct me if I'm wrong, but my understanding is that you specifically identified in your written communication with Cushman Wakefield, that units without heat here at 77 Central were not to be rented until heat is restored. If that's true, I wanted you to be aware that the large unit across the hall from me, #521, is now occupied, even without heat, which was the cause of the previous tenants moving.

It appears that this is another example of disregard of the rules and disrespecting the City of Mercer Island in terms of your directive. What is the remedy?

Sincerely,

Susie
