Hello and Thank you for your information.

The City compliance date was set for Friday, February 17, 2023. Do you have heat today?

Thanks in advance for your reply.

Hi Don,

This is to let you know that I still do not have heat at #433, Building B, at 77 Central. There has been no change. I have not had heat at all all winter. Attaching notice requesting repair to heat sent on October 26, 2022.

Thank you,

Ksenya

Neighbors

Just because I am not at 77 Central, does not mean I do not care.

Today, C&W was to have heat restored to all or else the City would start fining them.

So, if you don't have heat today, email Don Cole at the City of MI, don.cole@mercergov.org

Give him your name and apartment #, and how long you have been without heat.

This will help him figure out the fine schedules and amounts per day.

Good luck!
