

To be added to the document list for the Mercer Island City Hearing on Tucker, the dog of Tamara Shoop.

To whom it may concern

I've had the great privilege of taking care of Tucker Tammy Shoop's dog for more than 2 years I'm a certified companion animal trainer so I am very familiar with animal behavior. Tucker has always been the perfect house guest and has never displayed any form of agitation or aggression under any circumstances. I am very careful and extremely stringent about the dogs that I allow in my home for care and supervision I will not regardless of situation take an aggressive dog no matter what size or breed Tucker has always proved himself to be absolutely lovely he gets along with both animals and humans and has never once displayed anything but joy and happiness to be among people and his fellow dog companions

If you have any further questions or would like me to speak further on behalf of Tucker I am delighted to do so please feel free to get in touch at your earliest opportunity

To Whom It May Concern,

I am writing to provide a character reference for Tamara's dog, Tucker. My name is William Flower, and I am a professional dog trainer based on Mercer Island. I first became acquainted with Tamara and Tucker in August 2021 when she sought my services through a reference for dog walking, daycare and boarding. Over the past two years, Tucker has been under my supervision on multiple occasions, staying with me for extended periods of boarding. Additionally, I have had the opportunity to observe and guide Tucker during group walks and recreational sessions in park environments where he interacts with a variety of other dogs. Throughout our interactions, Tucker has consistently shown himself to be well-behaved and friendly. I can attest to his excellent socialization skills around both humans—including adults and children—and other dogs, regardless of their size. Based on my twenty five years of professional experience, Tucker has always been a well-adjusted and amiable dog.

Sincerely,

William Flower
