Good morning Examiner Galt,

The City objects to any late offered exhibits by the Appellant. These exhibits were due no later than a week ago, pursuant to the rules that the Appellant has had since September 21. It would work prejudice upon the City to admit these extremely late filed exhibits offered approximately an hour prior to hearing—we have not had a chance to review such emails, which is the purpose of the pre-filing rule. While the City appreciates Ms. Shoop is appearing pro se, she's also had the rules for six weeks and had ample opportunity to inquire about the hearing process prior to this morning.

Thank you,

Eileen M. Keiffer, Member

I would like to add two emails to the hearing today. I'm not sure what the procedure is to add them to the filed exhibits. Will you please let me know.

Dear Principal Parties:

The City did not include my September 21, 2023, scheduling letter in its pre-filed exhibits. I believe that it should be included in the hearing record for procedural completeness. Therefore, I will enter the following administrative exhibit at the outset of our Hearing this Thursday:

Exhibit 9001: Letter, Hearing Examiner to Principal Parties, September 21, 2023 (Scheduling)
