Re: 6420 E Mercer Way
Parcel: 302405-9120

Project Narrative:

The property owner Craig Welch proposes to build a 55 sf addition to the existing single family residence and a new 1150 sf detached garage and guest suite. Mercer Island GIS indicates the presence of a stream on the property. An investigation by Wetland Resources Inc could not identify any watercourse on site per the submitted reported dated August 4, 2020. Consequently, we request a waiver from the requirement for a Critical Area Study.

Please call if you have any questions or require further clarification.
