Subject: Re: Letter of Complete Application SHL14-031 SEP14-025

Hi Travis,

The application is in error as the proposed pier is set on the existing rock bulkhead which is adjacent to a landscape easement. We are currently revising the drawings to relocate the pier a couple feet to the east.

Please place the application on-hold pending our re-submittal of revised drawings within the next 10 - 14 days.

Thanks,

Ted Burns
