Robin: please continue to keep me on the mailing list for the activities on the east Seattle school property in the 2800 block of W. Mercer Way. As you know I own the home across the street and I am interested in what's going on. I would like to see less than 14 homes built on that site (perhaps 10) and I would like to see a T-shaped driveway from the west end and not multiple driveways coming out. I also feel that there needs to be some open space there and not a tiny corner on the north of the property with a little sign. Signed , Roxanne Navrides, 2832 West Mercer Way
