**Subject:** Re: 2825 West Mercer Way Property

Dear Mercer Island City Council Members,

We are Mercer Island residents who live in close proximity to the 2825 West Mercer Way Property. We are very concerned about the proposed development of the old Boys and Girls Club property. For this reason, we are requesting that a public hearing be scheduled and conducted so that concerned residents have the opportunity to have their questions answered, their concerns addressed and their voices heard.

I understand that today is the last day for the public to provide feedback, but I am sure that due to the large nature of this property and the tremendous impact it could have on the community, you will listen to your constituents and conduct a public meeting prior to making a decision.

Thank you for your consideration of our request. We look forward to your response.

Sincerely,

Ron and Wendy Walker, 3019 61st AVE SE
